

White Rain Extra Hold Hair Gel

SAFETY DATA SHEET

White Rain Extra Hold Hair Gel

Section I. Identification of substance/preparation and company

Identification of the substance or preparation

- Product Name** : White Rain Styling/Sculpting Gel
- Synonyms** : All varieties
- Use of the substance/preparation** : Hair styling product
- Manufacturer/Supplier** : Ninigret Building XI
Sun Products Corporation
Attn: Consumer Relations
4750 West 2100 South, Suite 200
Salt Lake City, UT 84120
- General Information Number** : 1-800-575-7960 (Monday – Friday, 8:30AM to 6:00PM EST)
- Emergency Telephone Number** : 1-800-565-5597 (24 hours, ProSAR)
- Poison Control** : 1-800-222-1222 (24 hours)
- Chemtrec** : 1-800-424-9300 (24 hours, Transportation Emergencies)

Section II. Composition/Information on ingredients

Ingredients as defined by the OSHA Hazard Communication Standard (29CFR § 1910.1200):

Chemical Name	CAS Number	% Range
Acrylates/Steareth-20 Methacrylate Crosspolymer		1-5
Acrylates/Hydroxyesters Acrylates Copolymer		1-5
\	\	
\	\	

Section III. Exposure Controls / Personal Protection

Chemical Name	CAS Number	ACGIH TLV	OSHA PEL	STEL
Acrylates/Steareth-20 Methacrylate Crosspolymer		NA	NA	NA
Acrylates/Hydroxyesters Acrylates Copolymer		NA	NA	NA

White Rain Extra Hold Hair Gel

Personal Protection

- For routine consumer use** : No special precautions necessary
- For industrial activities** :
- Respiratory protection** : General ventilation
 - Hand protection** : Rubber gloves may be worn for protection.
 - Eye protection** : Goggles may be worn for splash prevention.
 - Skin protection** : In processing and packing operations, the use of personal protective equipment and outer garments is recommended. None required under normal conditions
- 8-Hour TWA's** : Ethyl Alcohol – 1000 PPM (OSHA/ACGIH) – This level is not anticipated under foreseeable use conditions.

Section IV. Physical / Chemical Data

- Boiling Point** : 212°F
- Freezing Point** : Not Available
- Specific Gravity (H₂O = 1)** : (water=1) ~1
- Density, (lbs./gal.)** : Not Applicable
- % Volatile** : Not Applicable
- Evaporation Rate** : Not Available
- Vapor Pressure** : Not Established
- Percent VOC** : Not Established
- Solubility in Water** : Soluble
- Appearance** : Viscous gel
- Odor** : Pleasant odor
- Color** : N/A
- Viscosity** : Not available
- pH** : Not available
- pH (1% aqueous solution)** : 5.0 – 6.0

Section V. Fire & Explosion Data

- Flash Point** : Not Flammable
- Extinguishing Media** : May produce hazardous decomposition products.
- Special Fire Fighting Procedures** : Not flammable, however, self-contained breathing apparatus should be used.
- Fire / Explosion Hazards** : May produce hazardous decomposition products.
- Hazardous Combustion Products** : Not Established
- Contents Under Pressure** : Not Established
- Explosive** : Not Established

Section VI. Stability & Reactivity Data

- Stable** : This product is stable. Hazardous polymerization will not occur.
- Conditions to Avoid** : Not Applicable
- Incompatibilities** : Not Applicable
- Hazardous Decomposition** : Thermal degradation may produce oxides of carbon and nitrogen; hydrocarbons and derivatives.
- Hazardous Polymerization** : Not Applicable
- Corrosive to steel, aluminum** : Not available

Section VII. Toxicology & Health Data

Potential acute health effects

White Rain Extra Hold Hair Gel

Adverse health effects are considered unlikely, when the product is used according to directions

LD50 : Unknown
Threshold Limit Value : Not Determined

Effects of Acute Exposure : When used according to instructions, the product applicable to this MSDS is safe and presents no immediate or long-term health hazard. However, abnormal entry routes, such as gross ingestion, may require immediate medical attention.

Ingestion : No adverse effects anticipated based on toxicity. Depending on amount ingested nausea and vomiting may occur.

Inhalation : Not Applicable

Skin Contact : No adverse effects anticipated from normal use. Absorption through skin not anticipated.

Eye Contact : May cause minor irritation

Effects of Chronic Exposure : None Determined

Carcinogen Status : Not listed as a carcinogen by NTP, IARC, OSHA or ACGIH.

Note: See Section III for personal protective equipment and Section XI for waste disposal.

Section VIII. Emergency First Aid Procedures

If swallowed : Get prompt medical attention. Consult physician immediately.

Inhalation : Not applicable.

Skin Contact : Rinse with clear water.

Eye Contact : Promptly flush with large quantities of water. Get prompt medical attention, if irritation persists.

***If symptoms persist, contact a physician.**

Section IX. Safe Handling & Storage

No special handling precautions necessary. Store in a dry area at 40F to 90F. Keep from freezing. Keep away from fire and heat. Keep containers closed when not in use. Provide adequate ventilation.

Section X. In Case of Spill or Release

Small or household quantities : Spills and leaks may be cleaned up and disposed of in normal household trash.

Large (industrial) releases : Stop at source. Prevent from entering drains, sewers and bodies of water. Water clean up and rinse.

Section XI. Recommended Waste Disposal Considerations

Methods of disposal : Any disposal practice must be in compliance with local, state and federal regulations. Do not dump into sewers or any body of water or on to the ground.

Section XII. Regulatory Information

SARA 302 Hazardous Substances : None / no reportable quantities

SARA 304 : None

SARA 311/312 Hazard Categories : None / no reportable quantities

SARA 313 Emissions Reporting : None / no reportable quantities

Proposition 65 Listed Chemicals : None / no reportable quantities

TSCA : All components of this product comply with TSCA inventory listing requirements.

RCRA : See Section XI – Recommended Waste Disposal Considerations.

White Rain Extra Hold Hair Gel

CAA HAPS or Ozone Depletors : Not determined
CA 22 CCR Hazardous Wastes : Not determined
IL, MA, NJ, PA, RI State RTK & Hazardous Notifications : Not determined
Canadian DSL/NDSL : Not determined

Section XIII. Hazard Rating Information

Caution: Eye Irritant. May be harmful if swallowed. In case of eye contact, flush well with water. If swallowed, drink a glass of water. Call a physician. Keep Out of Reach of Children.

Ratings are based on 0-4 scale, with 0 representing minimal and 4 representing significant hazards or risks.

Health	0
Fire	0
Physical Hazards	1

Section XIV. Ecological Information

Other adverse effects : Not Available

Section XV. Transport Information

Regulatory Information	Land (US DOT)	Air (IATA/ICAO)	Water (IMO/IMDG)
Proper Shipping Name	N/A	N/A	N/A
Hazard Class	N/A	N/A	N/A
UN Number	N/A	N/A	N/A
Packing Group	N/A	N/A	N/A
Label Required	N/A	N/A	N/A
Additional Information	N/A	N/A	N/A

N/A: Not Applicable

Section XVI. Other information

History

Date of issue : 03/09/2011
Date of previous issue : 12/26/2008
Version : 3.0
